TERRITORY OF ADVANCED DEVELOPMENT "KRASNOTURYINSK"

Vyacheslav Kadyrov

Mechanic in OOO «Rus-Engineering»

Krasnoturyinsk, Russia

Abstract. The article deals with the concept of "territory of advanced development". The principal important difference between the territory of advanced development functioning and the special economic zones and zones of territorial development is revealed. The territories' of advanced development features are also given in the article for solving municipal problems. Based on the analysis of the current situation in the municipal entity Krasnoturyinsk, Sverdlovsk region, the reasons were revealed, which actualized the need to create and implement a federal economic project "Industrial Park "Bogoslovsky" - the territory of advanced development "Krasnoturinsk". The solution of a number of economic problems that are inherent in Krasnoturinsk city in the context of its socio-economic and demographic situation is envisaged as a result of the effective functioning of the project of the Krasnoturinsk priority development area.

Keywords: territory of advanced development; special economic zone; zone of territorial development; mono-city; municipality.

JEL codes: O20; O29.
