

**DEAR COLLEAGUES!**  
Educational and Research Institute of Management  
in collaboration with the electronic journal «Human Progress»  
(Yekaterinburg, Russian Federation)

**invite you to take part in the II International Scientific and Practical conference  
"THE HUMAN POTENTIAL PROGRESS",  
which will take place on October, 20 (2017)**

For participation we invite scientific and teaching staff, doctors, candidates, masters, graduate students, practitioners and all persons who are interested in these problems.

The conference is remote.

Working languages: English, Russian.

The collection of scientific papers will be published in the scientific journal "Human Progress" (Volume 3 No. 10) – ISSN 2414-4916 after conference and will be available on the website *progress-human.com* in 1 month. The electronic website version is a complete analogue of the print one.

#### **Directions of conference:**

- ✓ *Sociology*
- ✓ *Economics and economic science*
- ✓ *Public education. Pedagogy*
- ✓ *Management*
- ✓ *Demographics*
- ✓ *Law science. Jurisprudence*
- ✓ *Psychology*
- ✓ *Labor protection*

**Conference Papers will be indexed in the information-analytical system RSCI  
(Contract with the Scientific Electronic Library eLIBRARY.RU № 596-09 / 2015)**

#### **Conditions of participation in the conference**

It is necessary to e-mail files separately to *instmen@ya.ru* **until October, 19, 2017:**

1. The questionnaire/application form (the sample is presented below. The form must be filled out for each participant of the conference)

2. The paper, written in accordance with the requirements (requirements are presented below)

The Organizing Committee is going to send a letter to author's address with acknowledgment of articles' reviews in 2 working days after receiving the materials. Participants, who have not received confirmation from the organizing committee within 2 days, please duplicate materials.

The Organizing Committee makes a decision to publish the paper according to expert review. It is possible to send materials for preliminary verification. After expertise the Committee will send a letter with the results and instructions for the registration fee payment.

The materials that do not meet the requirements and the conference level will not be considered.

Materials that will be sent after the deadline may be published in other issues of the scientific journal.

#### **Registration fee**

Organizational fee for publication of one article (regardless of the number of authors) is 10\$. Additionally, you can pay for a certificate of participation worth 10\$, and printed version of the collection (optional) value of 100\$ (price includes transfer by mail).

#### **Design of the article**

The volume of the article	5-20 A4 pages, including tables, figures, references;
Field	of 20 mm
The body font	Times New Roman
The font size of main text	12 pt
Line spacing	1,5 pt
Indent first line of paragraph	1,25 cm
Text alignment	on width
Automatic hyphenation	is enabled
The page numbering	not
The formula	in the formula editor MS Equation 3.0, centered, no indent
Figures	Times New Roman, 10 PT., in the text, centered, numbered-through
Tables	Times New Roman, 10 PT., in the text, centered, numbered-through
Links to the formula	Numbering is continuous, in parenthesis(1)
References	[2, p.5]
References	according to <a href="#">GOST R 7.05-2008</a>

**A sample of an article:**

**TITLE OF PAPER  
(TIMES NEW ROMAN, 16 PT., BOLD, CENTERED)**

Photo of the author  
(optional)

**First and last name of author**  
Position and workplace (Institution)

Mail  
Full address of institution  
Location, country  
The phone number with the code

Photo of the author  
(optional)

**First and last name of co-author**  
Position and workplace (Institution)

Mail  
Full address of institution  
Location, country  
The phone number with the code

**Abstract** The text of abstract 150 - 200 words (Times New Roman, 12 pt. , alignment in block, spacing 1,5)

**Key words:** 5-7 words

**JEL Code:** 2-3 code.

**Introduction** The introduction usually includes relevance of the topic, research of a problem and the purpose of the work. (Times New Roman, 12 pt. , alignment in block, spacing 1,5)

**From 1 to 3 sections with headings** Sections usually include the description of materials and methods of research, results of research and discussion [2, p.5].

**Conclusion** The conclusion usually includes a discussion, limitations faced by the authors in the period of the study, directions for future research.

**Information about the conflict of interest** (if any).

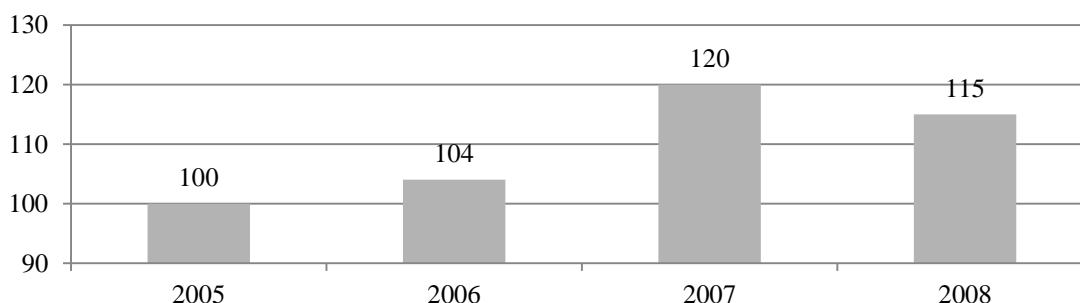

**Information on sponsorship** (if available).

**Acknowledgements** (if any).

**References** 10 – 15 source; cited literature is a general list at the end of the article in order of appearance, written according to [GOST R 7.05-2008](#). Recommended at least 5 references to publications that are included in the citation database Web of Science and Scopus.
